UVC MAX25 Whole House Air Purifying System with Metal Plate for Duct board

120 Volt, Whole House Air Purifier

This high efficiency, easy to install purifier uses a proprietary UVC (germicidal, 253 nanometer) lamp to destroy chemical & biological contaminants including chemical odors.

It is safe and effective in helping to eliminate airborne allergens, bacteria, viruses, mold, fungi, and more. It reduces odors by treating the air/furnace with UV sterilization all day.

Did you know?

UVC MAX 25 helps keep AC coils clean and can improve Indoor air quality throughout the home

SOLAR SCREENS

Solar Screens are frameless, meaning there is no rigid frame around the outside of the screen.

Solar Screens can easily be installed on any window or window frame using the handy "easy-attach" Dual-Lock Pads we provide at no extra charge.

SOLAR SCREENS

Solar screens have been proven to block out up to 90% of the heat from the sun, leaving your home or office cooler and more comfortable. This not only increases comfort inside the building, but also contributes to lower utility costs. If the air inside your building is cooler, it will take less energy to cool it during the warm months.

- Custom sizes
- Frameless
- 3 colors – Caribbean, Black and Tan 
- Available in 80% or 90%
- Hook and Loop
- Mounts inside or outside
- Pays for itself w/Energy Savings
- Lower Heating Costs
- Cooler Air

- 10 Year Warranty

KOOL-WRAP

Protect you're A/C Condenser Coils from dust, dirt, and other contaminants. Prolong the life of your unit while saving money on your energy bills.

Kool-Wrap will help the A/C unit remain clean, thus increasing efficiency and reducing energy cots.

Universal size make the install easy. Easy to clean with a Lifetime Warranty.

KOOL-WRAP

Protects A/C condenser coils from dust, dirt and other contaminants to help prolong the life of A/C units.

- ▶ Universal size
- ▶ Minimal air restriction
- ▶ Lifetime Warranty
- ▶ Installs in Seconds
- ▶ Cleaning Is Simple
- ▶ UV Protected Electrostatic Material

THE RIGHT SOLUTIONS

Ultra Odor Kill, Solid

A scientific break-through in clean air methodology. With a fresh scent! Ultra Odor Kill Solid sponges up unwanted air contaminants and acts like synthetic charcoal. Its magnetic properties attract and deactivate the harmful pollutants in the air.

C.E.F.

The perfect product to keep Air-Care Electrostatic Air Filters clean, efficient and effective. An Electrostatic Filter is most effective when clean & free of films that can be left by soap, cooking, tobacco smoke or household spray products. C.E.F. comes in a 32oz spray bottle. C. E. F. is ready to use, no mixing required.

UOK

Ultra Odor Kill Spray is a high-performance concentrate spray, specially formulated to deal with problem odors. UOK should be sprayed onto the Electrostatic Filter after cleaning. Once evaporated, the total effect is lending a fresh fragrance to stale air and killing lingering odors. This product has a light fresh scent.
